

## Utility Payment Conference

### Testimonials

**We've been going strong for over 20 years and have plenty of attendees and exhibitors singing their praises about how they enjoy attending. Read a few of the comments we have received.**

#### **Utility Comments:**

In my 19 years in the business informative and beneficial conference I for an ideal opportunity to share for an ideal opportunity to share knowledge with other utilities across the knowledge with other utilities across the country, you won't want to miss it! In addition, the conference provides a conducive setting to discuss the hottest payment technology trends and solutions with existing and potential vendors. Lastly, the utility contacts I have made from the conferences I have attended, have proven to be priceless as we all share the same challenges and goals. Teresa, Vectren

This year I was given a choice of 1 conference to attend. Obviously, I chose UPC!! Kay, PGE

Love it, very interactive. April, SMUD

Always well organized and the guest speakers are so knowledgeable, Rose, SDG&E

Best is it is not so large and is specific to utilities. Martin, CenterPoint Energy

#### **Exhibitor Comments:**

Number of participants who stopped by and genuinely were interested in our product. 3 Point Alliance

The open format --the way vendors and utilities can all be together. Fidelity Express

Same as always, the ability to spend time and speak w/attendees. Fiserv

Good emphasis on visiting vendor booths. CDS Global

Not too big, so you could spend plenty of time with each utility. JPMorgan Chase

Networking opportunity. Visa

#### **Industry Speaker Comment:**

This conference serves a niche group and should be drawing hundreds of people!
